

## ABOUT DUBAI STUDIO CITY

Dubai Studio City is located and operates within the jurisdiction of Dubai Technology & Media Free Zone (the "Free Zone"). The Free Zone was established in 2000 by a decree and has a distinct legal status in the UAE.

The Free Zone is regulated by an independent government body, Dubai Technology & Media Free Zone Authority (DTMFZA). DTMFZA develops and implements transparent regulations, in accordance with international standards, which ensure that the companies operating in The Free Zone are able to compete effectively, globally.

At Dubai Studio City (DSC) the right combination of planned infrastructure, talent pool and the dynamic business environment is focused on accelerating and nurturing the industry growth. In collaboration with business partners, Dubai Studio City offers a complete technical and community infrastructure that provides for an ideal workspace, world's best business and operational support services, access to talent clubbed with supportive environment and infrastructure.

DSC invites best-in-class audio-visual media companies by providing internationally benchmarked infrastructure, talent, and services. Designed to accelerate the growth of the broadcast, film, television and music production industries, DSC is an ultra-modern facility integrating every component of content production and broadcast under one roof. Spread across 22 million sq.ft. DSC hosts offers customized real estate specifically built for production, post-production, and broadcasting, such as studios, sound stages, and commercial offices. Its services include satellite uplink, digital distribution of content, industry networking opportunities, film permits for shooting in Dubai, production and location assistance.
